JOHN GEORGE SCHOLARSHIP AWARD GUIDELINES

In January of each year, the Board will open the application process for a scholarship award for consideration from the Board of Directors of the Plantation Acres Homeowner’s Association. A candidate can be any student who is attending any secondary, post-secondary or higher education schools with family who reside in Plantation Acres. The candidate must either reside in or be a dependent of a supporting member of the Plantation Acres Homeowner’s Association.

A completed application form must be presented to the Board before the close of the April 20th PAHA monthly meeting. Applicants will be announced at the meeting and will be considered by the Board members. The Board will consider Scholarship awards based upon the number of applications submitted, the content, and available Association funds. Funds for the scholarship come from membership dues of supporting members. The Board may choose to interview the applicants. The Board will announce the winner or winners of the scholarship at the May meeting.
